What's New from Paperblanks

Exciting New Product Categories

The Fall 2021 season brings an exciting variety of new Paperblanks products. After the successful release of our first line of accessory items, we have continued to expand our offerings beyond the stationery realm. We are excited to enter the world of fun and games with our collection of beautiful, high-quality jigsaw puzzles. And keeping with the theme of at-home hobbies, we are introducing a selection of washi tape to enhance the bullet journaling experience.

More Bookmark and Canvas Bag Designs

We were thrilled by the response to our first collection of bookmarks, and pleasantly surprised by how quickly they sold out! This season we are back with eight new designs in addition to remaining quantities from our first release. We are also expanding our collection of canvas tote bags to include new designs from our Spring and Fall 2021 catalogues.
