

paper-oh[®]
FALL 2020

paper~oh[®]

Paper-Oh notebooks at first glance appear minimal and simple. Closer observation reveals that they push the boundaries and conventions of bookbinding and paper arts. These notebooks are the product of our passion for design and our obsession with making things better than what already exists.

Run your hand along the graceful patterning of our Circulo series, trace the pleasing symmetry of Quadro and marvel at the expressive textures in Yuko-Ori. From the playful ridges of corrugated cardboard to the ineffable grace of Japanese origami patterning, our Paper-Oh notebooks emphasize the tactile elements of bookmaking in subtle and surprising ways.

Through the collaborative efforts of bookbinding designer Nadine Werner in Berlin and the Hartley & Marks Paper-Oh development team in Vancouver, this collection of notebooks and cahiers showcases the diverse creative experience of our team.

FEATURES & DETAILS

HIGH-QUALITY PAPER

Sourced from 100% sustainable forests, our cream-coloured paper is uncoated, unbleached and run through an additional press to make it satisfyingly smooth. All Paper-Oh notebooks are offered lined or unlined, with the option of a grid interior in the Cahiers.

LIGHTWEIGHT

Not only are our notebooks durable and design-conscious, they also do not contain binder boards, making them extremely lightweight!

LAY-FLAT BINDING

Our innovative spine scoring technique allows our Paper-Oh book blocks to lie completely flat when opened. For the Cahiers, which do not use a book block, the single signature is sewn, not stapled, allowing for maximum flexibility.

DURABLE BINDING

In order to make our notebooks more flexible, they have been Smyth sewn with minimal glue along the spine. For our Cahiers, we've developed an innovative "jump sewn" technique to avoid showing the threads on the exterior of the book.

MAGNETIC FLAP

Available in select notebooks, Paper-Oh magnetized, fold-over flaps not only protect the page edges but are highlighted by the satisfying *snap* the magnets create when connected.

DOUBLE-LAYERED COVER

We work with layers of paper for our cover designs. We score, emboss and perforate these covers, offering a creative and tactile canvas from the inside out. Your experience doesn't end with the visual impact, as Paper-Oh also excites the sense of touch.

FLEXI PAGE MARKER

Never lose your spot again! The scored markings on our Flexi Page Marker allow for multiple pages to be flagged at once (horizontally or vertically), and with one peel of the sticker it can also be attached permanently to the notebook.
